

# SUMMER RULES

Dishes go in the **DISHWASHER**, NOT the **SINK**!  
If the dishwasher is **FULL**, **EMPTY IT**!

Dirty clothes go in your laundry basket.  
If the basket is full, bring it to the laundry room  
and throw it in the washer with 1 laundry pod. Turn  
to 6 and pull knob.

**Congrats, you just started your own laundry!**

Your stuff? **Put it in YOUR room!**  
Do not leave it laying around the living room.

Blankets and pillows belong on the **COUCH**,  
not the **FLOOR**!

**DAILY CHORES = Do them!** They will be written in  
the notebook. **No reminders, no nagging!**

**BORED?** It's ok to be bored.  
Read a book. Do a chore. Take a nap!
